Press Release May 2009: For the London Design Festival in September 2009, Cockpit Arts will create a live 'Maker Difference' pop-up studio installation in a temporary London venue. This will be a theatrical recreation of a leading Cockpit Arts designer-maker studio, revealing to passers by how some of the UK's most talented and innovative designer-makers create their work. The location and further information will be announced at www.cockpitarts.com.

'Notorious for fostering some of London's most exciting creative talent' (Vogue)
Cockpit Arts is the UK's only creative business incubator for designer-makers. The installation is part of a 'Maker Difference' campaign to raise awareness of, and encourage support for talented designers making work in the UK. In November

and December, Cockpit Arts will also be throwing open the doors to their Holborn and Deptford incubators for their popular Open Studios events.

Editors Notes

Cockpit Arts is a charity and the UK's only creative-business incubator for designer-makers. It is a renowned hotbed of creative talent, helping 165 resident designer-makers to grow their businesses and hundreds more through a dedicated professional development programme.
