

COCKPIT ARTS

Are you a Friend?

Become a Friend today and help support independent designer-makers

Which one of these describes you?

- A passionate supporter of the creative arts
- Someone who wants to invest in the next generation of designer-makers
- An independent shopper who loves to buy individual and unique gifts
- Local to the Holborn or Deptford areas and care about regeneration and small businesses
- A practicing designer-maker who believes in supporting your discipline
- Someone who likes socialising in an unusual and creative environment with like-minded people

You've come to the right place!

Welcome to Cockpit Arts - we are the UK's only creative-business incubator for designer-makers.

We think beautifully handcrafted work offers something truly exceptional, which is why we provide each of our 165 designer-makers the individual support they need to achieve national and international success.

99% of incubated businesses do succeed and overcome the obstacles. In contrast nationally fewer than half of all businesses will achieve this aim in the long term.* The statistics speak for themselves.

We are a social enterprise and a charity, so any income we earn is reinvested in our work to sustain small independent designer-maker businesses. We want to work intensively with each of them, building their business without compromising on creativity. That's why we develop new graduates, help those not in education, employment or training (NEET) to develop creatively and set up prizes and awards to offer individual designer-makers the chance to prosper at Cockpit.

By becoming a Friend, you help us to support the very best of craft and design and to nurture the next generation of designer-makers.

Our Friends join Cockpit's vibrant creative community and enjoy a range of benefits, including exclusive behind-the-scenes experiences and the chance to get involved with some of the UK's most talented designer-makers and find out how it's done.
